Re-Filing of Statement Under 37 CFR 3.73(b) Cover Letter

Attached are

- (1) revised Statement Under 37 CFR 3.73(b) (1 page),
- (2) Power of Attorney (1 page),
- (3) and Licensing Agreement of Patent Application (18 pages).

The Licensing Agreement, Recordation Form Cover Sheet, Statement Under 37 CFR 3.73(b), Power of Attorney, General Transmittal, and \$40.00 check were previously filed for the present application on December 2, 2010. However due to an error, a revised Statement Under 37 CFR 3.73(b) along with the accompanying Power of Attorney and Licensing Agreement are re-filed.

The revised Statement Under 37 CFR 3.73(b) lists Xenogenics Corporation as the patent owner instead of Rutgers University. On the Statement Under 37 CFR 3.73(b) form, both 3A and 3B are check-marked. 3A is check-marked because a Reel and Frame number of the licensing agreement from Rutgers University to Xenogenics Corporation is still unknown, and therefore the licensing agreement is attached. 3B is check-marked to indicate the rest of the chain of title from the inventor to Rutgers University. Thus, the combination of the attached and the chain of title in 3B is the entire chain of title.
